

# Student's Guide to Curriculum Information and Registration 2021-2022 Academic Year

This month all your teachers will **present** the *curriculum offered within their department* with the goal that you will make good & appropriate course selections for next year.

**FEB. 5th** Watch a [Curriculum/Registration Video](#) specific for grade level, review [Scheduling Tips, and your 4-year plan sheet](#).

## **WEEK OF FEB. 8th**

You'll attend curriculum night and you will also receive registration information via email. A complete [Program of Studies](#) with course descriptions and registration information/videos are available to view at the [School & College Counseling webpage](#).

## **FEB. 8th – 16th**

Teachers will share curriculum choices, course offerings, and recommendations in classes throughout this time. *Ask your teacher which day they'll be presenting registration information so you will be prepared! Ask teachers for course recommendations and suggestions.*

**As you hear curriculum options in each subject,  
Refer to the [Registration Grid Form](#) and [Program of Studies](#)**

### **When choosing classes remember:**

- Graduation requirements for each subject
- The progression/next level of each subject
- How to choose the most appropriate course (regular, Honors, AP)
- Ask your teacher for recommendations
- Research [Career Pathway](#) options

## **GRADE SPECIFIC REGISTRATION INFORMATION**

[Class of 2022 Graduation requirements](#) and [Class of 2023 and Beyond graduation requirements](#) and [specific information for each grade](#) will be provided to students throughout the registration process. *See chart below for dates & locations by grade.*

## **POWERSCHOOL ONLINE REGISTRATION**

Students and Families review all curriculum information and submit their course selections online through their PowerSchool accounts. *See chart below for window & deadlines by grade.*

**IMPORTANT NOTE** After the last call for course changes has closed, schedule changes will take place at the beginning of the 2021-2022 school year. It is critical students/ families be proactive to make thoughtful & definitive course selections by MARCH 1st. Exceptions on late requests *after* MARCH 1st will be limited to only those who fall under the [NAHS Registration Practices and Guidelines](#) (*provided below chart*). There will be no email availability this summer to request a course change. The procedure to request changes will be provided on the first day of school for the 2021-2022 school year.

## NAHS Registration Practices and Guidelines

Schedule change requests at the beginning of the school year, are limited to those with these reasons/criteria:

- Academic misplacement**--Student is placed in the wrong level of class (Honors/Accelerated/AP vs. regular pace), or is placed in a class without meeting the prerequisite (placed in chemistry without passing biology first).
- Program change**--Student has been accepted into an academic program or the student is no longer enrolled in a specific program of study (examples: Eastland/Fairfield, Pathways, Mosaic)
- Missing an academic class**--Student is missing a core class such as English, history, math, or science.
- Missing a graduation requirement**--Student is missing a course necessary to graduate in the upcoming school year.
- A student has two study centers in one semester and none in the other.**
- To balance classes** so overcrowding does not occur.
