<b>Class of 2020</b>	Grade 11	Grade 12			
<b>Class of 2019</b>	Grade 12				

Student is assigned an iPad for use at school and at home. iPad will be kept through 8<sup>th</sup> grade year, turning them in each summer for secure storage.

Student keeps the same iPad assigned to them for a period of three years.

iPads will be placed in each classroom and students will use a specific iPad while at school. These iPads remain in classrooms overnight for charging and security. Under special circumstances, these iPads may be checked out by students to complete work at home.
